EXPERIENCE:

Web Development:
Completed some projects with React, Bootstrap, Material UI, Node
Express JS, MongoDB, Firebase . faced some errors and problems but Google helped me to find solutions and maximum problems solved by Stack Overflow.

SUMMARY:

I am an enthusiastic and dedicated learner. Having a solid responsibility for time. Working hard for a better experience. Solving problems in Javascript and C.

EDUCATION:

Programing-Hero Web Development Course – Session: 2020

Feni Government College, Feni — Degree(BSS) Session: 2018 – Continue
